

Dedication to Peter Cunningham MBE

Cowshed to Field Studies Base was the inspiration of the late Director of the Poole and Dorset Adventure Centre, Mr Peter Cunningham MBE who died in September 2004.

Together with the tireless support of his wife, Edna Cunningham and the financial support of the Executive Committee, under the Chairmanship of Mr Maurice Case BEM, the inspiration and dream was realised. 'To afford young people and adults to experience the outstanding beauty and environmental benefits of the Purbecks.'

A short dedication was held in the grounds of the Centre with the erection of a flag pole flying the National flag. This was undertaken, prior to the executive committee meeting on the 23.1.09

Peter's passions were the welfare and personal development of young people, and a strong passion for his country and everything British.

He has left us a wonderful legacy and he can be assured that it will be carried forward in his name.
